Staff Induction Policy

Policy Title: Staff Induction

Effective Date: [Insert Date]

Review Date: [Insert Date – usually annually]

Version: 1.0

Applies to: All new employees, agency staff, and volunteers at [INSERT CARE HOME NAME]

1. Policy Statement

At [INSERT CARE HOME NAME], we are committed to providing a structured and supportive induction process for all new staff to ensure they feel welcomed, valued, and prepared for their role.

We aim to:

- Provide new staff with the knowledge, skills, and confidence to deliver safe, effective, and person-centred care.
- Ensure compliance with the Care Certificate Standards, the Health and Social Care Act 2008 (Regulated Activities) Regulations 2014, and CQC Fundamental Standards.
- Introduce new staff to our care home's values, policies, and procedures.
- Support staff integration into the team and workplace culture.

2. Purpose

This policy sets out the framework for staff induction, ensuring all new employees:

- Understand their role and responsibilities.
- Receive mandatory training relevant to their duties.
- Are familiar with health, safety, and safeguarding practices.
- Are supported during their probationary period.

3. Scope

This policy applies to:

- All new permanent and temporary employees.
- Agency staff and volunteers (adjusted as appropriate to their role).
- Supervisors and managers responsible for delivering induction.

4. Roles and Responsibilities

Registered Manager:

- Oversees the induction programme and ensures compliance with regulatory requirements.
- Assigns mentors or supervisors to support new staff.
- Monitors completion of induction checklists and training.

Supervisors / Mentors:

- Provide day-to-day support and guidance to new staff.
- Ensure completion of induction tasks and Care Certificate requirements.
- Offer feedback and encourage reflective practice.

New Staff:

- Actively participate in the induction process.
- Complete all required training and assessments.
- Seek support when unsure about responsibilities or procedures.
