Training & Development / Supervision Policy

Policy Title: Training & Development / Supervision

Effective Date: [Insert Date]

Review Date: [Insert Date – usually annually]

Version: 1.0

Applies to: All staff, contractors, and volunteers at [INSERT CARE HOME NAME]

1. Policy Statement

At [INSERT CARE HOME NAME], we are committed to providing high-quality training, supervision, and development opportunities for all staff to ensure safe, effective, and compassionate care for residents.

We aim to:

- Equip staff with the skills and knowledge required to carry out their roles confidently.
- Comply with statutory requirements including the Health and Social Care Act 2008 (Regulated Activities) Regulations 2014 and CQC Fundamental Standards.
- Provide structured and supportive supervision to promote professional growth and reflective practice.
- Foster a culture of continuous learning and improvement.

2. Purpose

This policy sets out the framework for:

- Induction and mandatory training.
- Ongoing professional development.
- Supervision and appraisal processes.
- Recording, monitoring, and reviewing staff learning needs.

3. Scope

This policy applies to:

- All employees, including care staff, administrative staff, and managers.
- Agency staff and volunteers (as appropriate to their role).
- Training providers and supervisors working with the care home.

4. Roles and Responsibilities

Registered Manager:

- Ensures all staff complete required training.
- Oversees the supervision and appraisal programme.
- Identifies and supports staff learning and development needs.
- Maintains training records and compliance monitoring.

Supervisors / Line Managers:

- Provide regular supervision sessions and annual appraisals.
- Support staff with personal development plans.
- Identify knowledge gaps and arrange training opportunities.
- Offer constructive feedback and guidance.

Staff:

- Attend mandatory and refresher training sessions.
- Participate actively in supervision and appraisal.
- Take responsibility for their own learning and development.
- Apply training and feedback to daily practice.

5. Training

5.1 Induction

- All new staff will complete the Care Certificate (if not already achieved).
- Induction will include training in:
    - Safeguarding Adults
    - Infection Prevention & Control
    - Fire Safety
    - Moving & Handling
    - Health & Safety
    - Confidentiality & GDPR
    - Equality & Diversity

5.2 Mandatory Training

- Refresher training provided in line with statutory and local requirements.
- Examples include:
    - Medication management
    - First aid / Basic life support
    - Food hygiene
    - Mental Capacity Act & DoLS
    - Dementia awareness
    - Person-centred care

5.3 Ongoing Professional Development

- Staff encouraged to undertake additional qualifications (e.g., NVQs, diplomas).
- External training opportunities supported where relevant.
- Training needs identified through supervision, appraisals, and audits.

6. Supervision

6.1 Purpose of Supervision

- Provide support, guidance, and accountability.
- Encourage reflection on practice and promote wellbeing.
- Identify training needs and career development opportunities.
- Ensure safe and effective care delivery.

6.2 Frequency

- Formal supervision provided at least every 6–8 weeks.
- Annual appraisal carried out for all staff.
- Additional ad-hoc supervision offered as required.

6.3 Format

- Supervision may be one-to-one or group-based (where appropriate).
- Sessions will be structured, documented, and confidential.
- Staff will be encouraged to raise concerns, reflect on practice, and set goals.

7. Monitoring and Records

- Training records maintained for all staff, including attendance and completion.
- Supervision and appraisal notes kept securely and confidentially.
- Training compliance monitored regularly and reported to management.
- Audits used to identify gaps and ensure continuous improvement.
